restricted animal material*

Mare Relieve

CALMING SUPPLEMENT

SPECIAL INGREDIENTS

DAC® MARE RELIEVE is a blend of quality ingredients intended to support calm, balanced behavior in mature female horses.

Dong Quai Root - *Angelica sinensis*, commonly known as “dong quai” is an herb from the family Apiaceous, indigenous to China. It has potential analgesic, anti-inflammatory, antispasmodic and antioxidant activity.

Raspberry Leaf - *Rubus idoeus* is a pale-green leaf produced by the raspberry plant; the leaf has been used due to its rich content in vitamins, minerals, and tannins.

Chasteberry Extract - *Vitex Agnus-Castus*, is an ancient Mediterranean shrub with finger-shaped leaves and slender spikes of violet flowers.

Magnesium - is a trace mineral that is an important ion in the blood, it plays an important role as an activator of many enzymes, and participates in muscle contractions. Signs of magnesium deficiency include nervousness, muscle tremors, and ataxia.

FEEDING DIRECTIONS

DAC® MARE RELIEVE can be fed with either fortified or unfortified grains.

FEED DAC® MARE RELIEVE at the following rates:

Maintenance Dose	Feed one scoop (1 ounce) per horse per day.
-------------------------	---

Feeding rate based on 1000 lb. horse.
